spinoza's - university of massachusetts boston - spinoza can lead you to think differently about yourself and your life, about nature, about god, about freedom and about ethics. so perhaps the best reason for reading spinoza's ethics is this: it is a book that may change your life. spinoza: rationalist, empiricist, atheist, radical? spinoza (1632–77) is a philosopher of the seventeenth ... **spinoza on god, affects, and the nature of sorrow** - causes itself, spinoza means that god is the only being who does not derive from an external cause for his/her existence or an outside concept for his/her conceivability. moreover, spinoza claims that only god can be a substance since the existence of two or more substances with the same essence and **how does spinoza and his tapes provide therapy for children** - spinoza speaks to our most inner self, that which makes each of us unique, yet alike . as human beings. age or ability is not a factor in spinoza's appeal or effectiveness. for example: the tiniest infant is calmed by spinoza's soothing voice and music. an autistic preschooler sings, for the first time, along with her spinoza bear. **the philosopher, - reed** - the standard themes of spinoza interpreta-tion in her book, "betraying spinoza: the renegade jew who gave us modernity." her spinoza presents himself more as tin man than spinoza-bear. that is, he has no heart. he is reason incarnate. he lacks pas-sion and personality, or what goldstein calls the "pounding pulse of subjectivity." **united states navy-marine corps court of criminal appeals** - united states v. spinoza, no. 201700236 . 5 . over the rest of the night and into the morning, the appellatant called and texted sm more than thirty times. among other things, he called her vile names, threatened to tell her son she was a "whore," and threatened to break a window in her house and kill whomever she was in bed with. his threats **spinoza's translation of margaret fell and his portrayal ...** - spinoza's remarks about jewish ceremonial laws and, relatedly, their comments about the relationship of the hebrew "old covenant" and the christian "new covenant." spinoza uses many of the same biblical passages that fell had focused on in her pamphlets, and spinoza's explications of those passages resemble her interpretations. **reply to nadler: spinoza and the metaphysics of suicide** - steven nadler has argued that spinoza can, should, and does allow for the possibility of suicide committed as a free and rational action. given that the conatus is a striving for perfection, nadler argues, there are cases in which reason guides a person to end her life based on the principle of preferring the lesser evil. if so, spinoza's ... **active suffering: an examination of spinoza's approach to ...** - control her. she suffers actively when she uses knowledge to respond to her pain, in this way being in control of herself. this knowledge she uses to deal actively with her pain bears a relation to spinoza's theory of freedom, since it entails a realization that all events (such as a **descartes and spinoza on numerical identity and time** - descartes and spinoza are working in a medieval aristotelian tradi-tion that links a person's identity over time to her essence, rather than to her properties. in this tradition, identity over time does not imply indiscernibility. while descartes and spinoza reject many aspects of this tradition, their views about identity over time still ... **spinoza's mechanism, attributes, and panpsychism harry a ...** - the essential aspect of spinoza's thought that he derives from des- cartes" and then proceeds to present her own version of the cartesian background from which alone, according to her, spinoza could have derived his doctrine of extension and thought. now it is the contention throughout my study of spinoza that while **dr. zulma tovar-spinoza - cnybj** - dr. tovar-spinoza is married to yosef spinoza, has been his partner for 23 years, and together they are the proud parents of ari, itai, and eitan. her mother, julia, has been an extraordinary support in her career. all who know the spinozas are aware that baseball plays a heavy role in their lives. dr. tovar-spinoza speaks spanish, english, and ... **spinoza's geometry of power - columbia** - her that she strives to keep existing;
